Section 3. Summary of Impact: Teachers' Supply Closet

We at Teachers' Supply Closet (TSC) are excited to share our achievements and emphasize the ever-increasing importance of our mission, especially during these challenging times for educators. The support from the Joanna Foundation has been invaluable in maintaining TSC's crucial efforts. Your generous contributions have played a pivotal role in enabling TSC to fulfill its mission of supporting low-income children in the tri-county area by providing them with free educational and creative resources.

SUBJECT	2023-24	ORGANIZATION -TO-DATE
Teacher Visits	842	12,000+
Students served	20,640	296,000+
Value of Supplies Distributed	\$ 300,057	\$8 million+
Volunteers/Volunteer Hours	21/343 = \$10,273	

Joanna Foundation funds helped to support programmatic efforts related to the carrying out the mission and objectives of the organization, including associated staff costs for training volunteers, outreach to teachers and schools, stocking supplies, and providing services to teachers. Supplies in high demand these days include STEM supplies, special needs supplies, and basic supplies for learning.

With only one full-time staff member and one part-time staff member, Teachers' Supply Closet was able to impact over 19,000 students because of its extensive network of volunteers, donors, and in-kind supporters. TSC prides itself on its efficiency and strength of outcomes with a modest budget. Each year, Teachers' Supply Closet relies on donors who invest in the organization order to meet program costs associated with the collection, storage, and on-site delivery of supplies.

TSC's mission is only possible because of volunteers and partners. In the midst of the difficulties confronting today's educators, testimonials from teachers underscore the invaluable role of Teachers' Supply Closet (TSC). One educator expressed, "As an educator, I don't know what I would do without the Teacher Supply Closet! They always come through when supplies are needed most." Another educator emphasized the transformative impact of TSC, stating, "The Teacher Supply Closet has allowed me to expand my art program for the students. They are able to explore with more materials and create an array of multi-media projects that we would normally not be able to do, due to a shortage of supplies." These testimonials underscore the crucial support TSC provides to educators and the enhanced learning opportunities it offers students. Thank you for your generous support!
