Separately, using software of your choice, write a concise summary of how the grant helped achieve the objective of the request. For example, you may mention activities to date, progress toward milestones, participation by volunteers, partners or audience members, and/or significant achievements. You may use metrics to show change or anecdotal examples to illustrate impact. You may use bullets or lists. Describe the difference that The Joanna Foundation grant made to your organization in this time frame. We recommend one page of text or less. You may add items that showcase your work, such as a photo, graphic, chart, media article, testimonial, or link to a short video.

When you are satisfied with your draft, save your Summary of Impact in pdf format, attach any additions, insert your material after this page, and submit the combined file (consisting of this 2-pg form + your materials) as a single pdf file.
